Mr. S. H. Posey,
508 Dixon St.,
Homestead, Pa.

Dear Posey:

First of all I have a proposition that has been offered for Sunday, Sept. 14th. This Fight for Freedom Committee want a ball game at The Polo Grounds that day. They will guarantee \$750.00 each with an option, and will put the money up in front. Due to the fact you won the first half, you should be in a playoff, then if we win the 2nd we will play you, if not, we will give you the date to play the team that does win. The man will send some money with the contract. If you are interested let me know at once, or write this man, Mr. Edward White, 2305 - 7th Ave., New York City.

What do you have in mind for Sunday, the 7th.

About our trip please let me know right away where the last date is to be played, and the time of game. We are scheduled in Phila with the Stars the 23rd. About the Sunday Night I think we should gamble with you, as we are gambling on all others. Lets decide now about League games, as you know we only scheduled Sunday, Aug. 17th. Lets do the thing that would be best for ourselves. There is no use beating each other, and letting some other team pass us. I think we should either let the Sunday stand or make one entire week league games. What do you think? I believe we would make some money at the Polo Grounds the 14th, if we win the 2nd half.

I am sure you have heard by now they took \$500.00 out for Stotchell July 20th anyway. You know they agreed to bring him in at the Meeting and not take anything. The powers that are certainly don't mind showing how little respect they have for us. I pray each day you guys will wake up before it is too late. You Poseys who have spent all your life in baseball are standing by and letting some newcomers step in and run away with all the gravy. You had better stop opposing some one who would like to see you get some place, and try to stop those who would put you in the back alley if possible.

Mr. S. H. Posey,
#2

Will Cum or you be in the East for the game August 10th in New York. If so, I hope we can get together for a talk. There are many things I would like to tell you, that I hesitate to write.

Did you get enough publicity about The Eagles, was it O. K. I will send you more mats, if you want them.

About Harrisburg, if there is anyway you can check on the setup there, you should. Bill caught a man on the corner selling tickets when we played there. The whole setup is not so satisfactory. See if you can't get it straightened out in front. The terms you quoted for the trip are O. K. with me.

Please let me hear from you right away. Answer all questions.

Very truly yours,
